Note: Veterinary Medicine students will not be assessed the over-time fee. This exception to the general policy for other graduate programs results from the Veterinary Medicine curricular design which requires larger carrying loads in certain terms for normal progress toward a degree.

See Section III.D.11 For nonresident fee applicable under circumstances requiring special enrollment measures to meet commitments to Washington State University

Third Year veterinary students registering at Oregon State University for a session scheduled early May to mid-July will be assessed a one-term fee as above.

Fourth Year students taking a series of study, externship, and vocation blocks from mid-July through early June will be assessed three term fees during that period of time. Fee payment dates will correspond to normal Fall, Winter and Spring term schedule.

Qualified tuition and fees do not include student health insurance fees for Tax Relief Act reporting.
