Note: Starting in 2004-05, full-time tuition represents 15 credits for undergraduates and 12 credits for graduates. Prior to that, there was a full-time tuition plateau, commonly 12-18 credit hours for undergraduates and 9-15 credit hours for graduates.

¹Tuition and fees include instruction, building, incidental, and health service fees.

²In accordance with OAR-010-0081, Eastern Oregon University's nonresident rate is the same as the resident rate.

³OSU Cascades campus established in 2001.

⁴In 2005-06, a one-time correction was made to align nonresident graduate tuition and fees more closely to distance education rates.

⁵Tuition and Fees for 2002-03 incorporate surcharges in winter and spring terms.

⁶Tuition and Fees for 2003-04 reflect spring term rates.

⁷Undergraduate Resident rates reflect the tuition mitigation cap of 15% increase over 2003-04 undergraduate resident tuition rates.

⁸Undergraduate Resident rates capped at 3% increase over Spring 2005 tuition rates.

⁹In 2008-09, EOU, PSU, SOU and WOU incorporated all universal and programmatic resource fees into tuition rates.

UO rolled-in only universal resource fees and OIT and OSU did not roll-in any fees into tuition. Campuses have until fall 2011 to complete roll-in.

Consistent with the 2007-2009 Legislative Budget Note, resident undergraduate tuition rates, systemwide, did not increase above 3.4%.

¹⁰Resource Fees for Law rolled into tuition rates for 2006-07
