Budget Notes	SB 5515 Budget Notes
2007	<p>Budget Note – Faculty Compensation</p> <p>Institutions shall use the funds allocated to them from the \$10 million approved in this package to move faculty compensation rates closer to peer levels, and thereby maintain institution quality, recruit and retain high-quality faculty, and promote academic excellence for students. The Department shall include information on the impact of this funding on measures of campus performance in its budget request to the 2009 Legislative Assembly.</p> <p>Budget Note – RAM renormalization</p> <p>The Subcommittee understands that beginning in the 2009-11 biennium, the Department will distribute General Fund appropriated for Undergraduate and Graduate Cell Funding in the Resource Allocation Model on the basis of the actual fundable student FTE counts for the fiscal year of the distribution. This may include adjustments designed to settle up fiscal year allocations once final fundable student FTE counts are known.</p> <p>Budget Note – Tuition and fees</p> <p>The adopted budget projects net tuition and fee revenues of \$1 billion for the 2007-09 biennium. The Subcommittee expects tuition rate increases for resident undergraduate students, excluding students enrolled at Western Oregon University, to average 3.4% each year of the biennium. The Department shall report to the interim Joint Committee on Ways and Means or Emergency Board prior to any State Board of Higher Education approval of tuition and fee rate increases that would result in average increases for resident undergraduate students, excluding students enrolled at Western Oregon University, exceeding these amounts. The Subcommittee further expects the Department to limit resource fee (including energy surcharge fee) revenue to no more than 8.6% of gross tuition revenue.</p> <p>Budget Note – Interest Earnings</p> <p>The Department shall assist the State Treasurer and the Legislative Fiscal Office in an examination of the management and investment of Department funds, and in the development of fund management policy proposals designed to optimize outcomes to both the State General Fund and the Oregon University System. The Subcommittee understands that Essential Budget Level (EBL) calculations for the 2009-11 biennium budget will not include General Fund or Lottery Funds phase-in adjustments. Notwithstanding this, the Subcommittee understands that a General Fund phase-in adjustment will be included in the EBL calculation for the Faculty Salary Catch-Up package.
