*Actions – The Board’s Student Participation and Completion Committee (SPCC), as a component of its original charter, works with OUS institutions and student success staff to determine and assess initiatives toward the enhanced access, retention, and graduation of student populations. In periodic reports to the Board, campus presidents and SPCC representatives will identify and include key goals relating to student success among diverse populations.*

Guiding Principle #5: Commitment to Vendor and Contracting Enhancements
The Board is committed to vendor and contracting practices that encourage and promote participation by minority, women-owned, and emerging small businesses (MWESB).

Actions – In periodic reports to the Board, Chancellor’s Office and campus representatives will provide updates on progress in vendor and contracting initiatives and practices. OUS representatives will identify and incorporate into project proposals opportunities for outreach to promote engagement and seek bids from MWESB contractors.

Guiding Principle #6: Commitment to Continuous Feedback
The Board values the feedback and insights of numerous stakeholders in advancing diversity efforts.

Actions – The Board will include attention to diversity issues within its strategic planning efforts and will solicit ideas, innovations, and standards from the chancellor and campus presidents that best align with the institutional and state priorities. Further, the Board will seek input periodically from representatives of Oregon’s diverse communities.

Guiding Principle #7: Commitment to Key Goals
The Board values both quantitative and qualitative diversity-related evidence to inform decisions and planning.

Actions – The Board directs the chancellor and campus presidents to provide reports and updates pertaining to diversity achievements and challenges not less than once every biennium. To assist and inform the Board, each OUS institution will identify key diversity considerations relating to students, faculty, and staff each biennium. Campus leaders will identify and prioritize key goals that take into account fiscal resources, enrollment management considerations, curricular planning, workforce diversity efforts, and specific institutional data and environments. The Chancellor’s Office will identify and prioritize key goals pertaining to diversity issues for its units, as well. The Board will evaluate annually the chancellor and campus presidents on elements relating to the identification of, and progress toward, key goals and actions in all areas of this policy.
