• Questions
Responsibilities Under US Generally Accepted Auditing Standards (GAAS)

• Responsible For

  – Expressing an opinion on whether financial statements are in conformity with U.S. Generally Accepted Accounting Principles in all material respects.
  – Expressing an opinion only over information identified in our report. Other information included in your financial statement package was read/reviewed, but not subject to testing.
  – Performing audit in accordance with required auditing standards.
  – Communication of significant matters related to audit, information required by law/regulations, or other information agreed upon with the System.
Responsibilities Under GAAS (continued)

• An Audit in Accordance with GAAS
  – Does not relieve management of responsibilities.
  – Includes consideration of internal control as a basis for audit procedures, but not to opine on effectiveness of internal controls.
Financial and Compliance Audit

• Scope
  – Financial statement audit of System as a whole
    ◊ Included all 7 campuses and Chancellor’s Office
    ◊ Performed internal control testing, including Information Technology control testing at all locations
  – Discretely presented component units audited by other auditors
  – Financial statements of Oregon State University
  – No testing of federal programs as directed by State Audits Division
