Eastern Oregon University

Capital Budget Request
2005-07

Oregon State Board of Higher Education
June 4, 2004
Capital Construction Planning

Because of EOU’s location and its geographic isolation, EOU must:

- Provide access to education for Eastern Oregonians.
- Play an active role in economic and community development.
Master Planning Process

- Completed in 2000
- Building on capacity and quality
- Growing a 3,000 student campus to a 4,250 student campus
- Campus and community involvement
- Short and long-term plan for growth
2005-07 Capital Budget Request:
Library and Information Center
