6. OUS International Programs – Karen Marrongelle

7. Other Items

FYI

PSU has approved the following:
   - Elimination of the School of Extended Studies; all programs previously under the aegis of the School have been eliminated or moved to other academic units with PSU.
   - Creation of the Center for Geography Education in Oregon, housed in the Department of Geography.
   - Creation of the Center for Public Interest Design, housed in the School of Architecture.

OIT has approved the following:
   - Re-established Bachelor of Science degree in Emergency Medical Services. Jointly offered with OHSU.
