

## Strategic Initiatives Committee Charter

---

### Charge to the Committee

The Strategic Initiatives Committee serves as a standing committee of the State Board of Higher Education, charged to implement the principles and priorities of the Board's long-range plan (see attached).

### Deliverables

- Decision-ready recommendations to the Board of Higher Education regarding the focus, development, timing, and implementation of Board strategic priorities.
- Identification of clear options and actions needed to implement each recommendation.
- Articulation of and rationale for directions *not* chosen.
