

Framing Excellence in Delivery and Productivity

Goal: To fully frame the conceptual goals of More, Better, Faster in terms of student educational attainment.

1. What is “More”?

More students with a college education?
How many or percentage (Table 1)

More students with more college education?
How much more? (Table 2, average educational attainment of state residents~ IRS to provide)

2 What is “Better”?

Greater efficiency for the student?
Cost (tuition. Opportunity cost..)
Greater efficiency for the school or state?
A measure of quality? If so, what?

3 What is “Faster”?

Time to degree from date of high school completion? (Table)
Time to degree from date of college entry? (Table)
