OUS/PASS PROFICIENCY ASSESSORS BY LANGUAGE
COFLT-Confederation in Oregon for Language Teaching
as of December 2004

The attached list identifies language teachers who have had introductory training in the OUS/PASS Second Language Oral Performance Assessment. OUS will accept determinations of proficiency from the assessors on this list. If a student wishes to be certified, he/she should contact one of the assessors on this list. If mutually agreeable arrangements regarding time, place, and fees can be made, the student will be interviewed and the results ("Supplemental Proficiency Report Form") sent to the high school counselor by the assessor.

OUS Second Language Proficiency Assessment Procedure

1. Identify and contact an assessor available in the area and make mutually agreeable arrangements regarding time, place, and fees (if required) for the assessment.
2. If the student successfully demonstrates proficiency according to OUS/ PASS standards, the assessor will send the results ("Supplemental Proficiency Report Form") to the high school counselor for inclusion in student's file and use in college admission.
3. The "Supplemental Proficiency Report Form" will be sent by the high school counselor to the admission director at the OUS institution(s) to which the student is applying.
